## Holiday Homework

## HOLIDAY HOMEWORK (2024- 25)

### PRE SCHOOL

Dear Parents,

Summer vacation is for Fun and Exploration! Preschoolers learn best through play, so here are some engaging Holiday Homework ideas that focus on learning through everyday activities. These activities will not only help them improve their social, emotional and cognitive skills but also enhance their learning skills in a fun-filled way.

**Please click the pictures while doing the activities and paste them into a holiday scrapbook.**

#### **LET'S IMBIBE SOME VALUES:**

- Greet your elders whenever you meet them.
- Use magic words like Sorry, please, Thank you.
- Converse in English with parents and friends.
- Speak politely with your peer group.

## **MY CONTRIBUTION TO THE ENVIRONMENT**

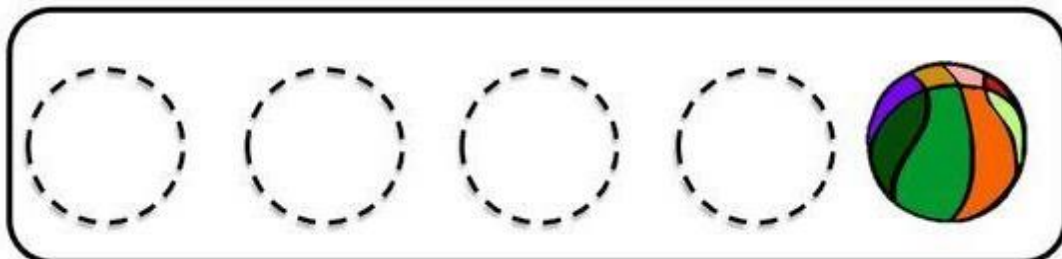

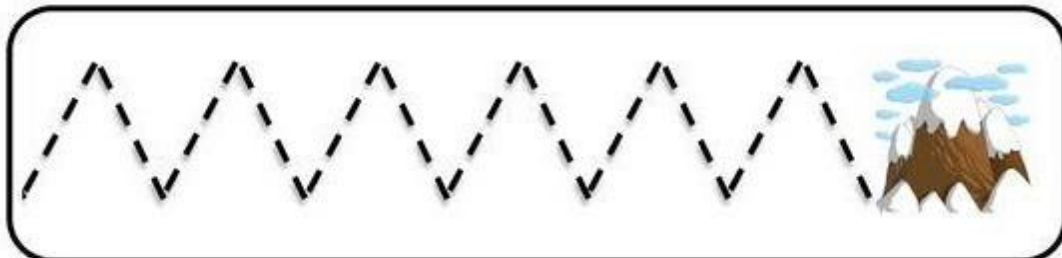

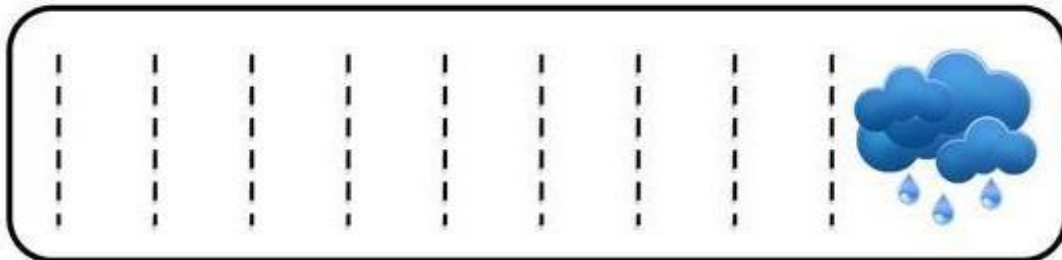

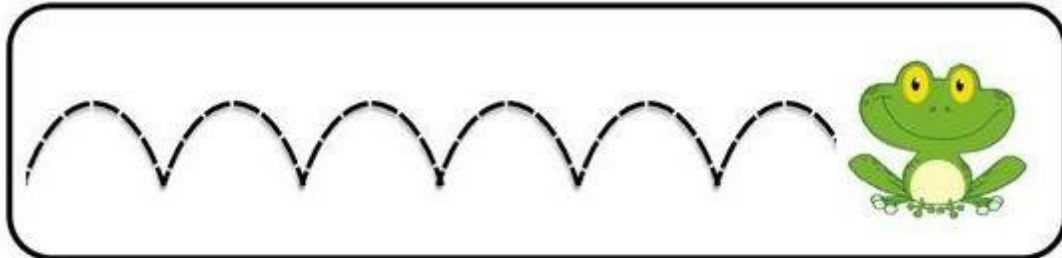

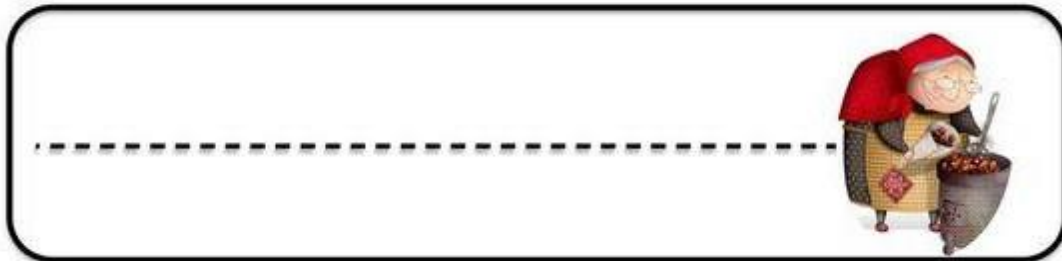

- I promise not to waste water this Summer.
- I promise to switch off the AC, light, and fan when I leave the room.
- I promise to feed grains to birds daily.
- I promise to water the plants regularly.
- I promise to respect things in the surroundings and in nature.

## **BE A SMART CHILD:**

- Learn to tidy your room and keep toys in place.
- Learn to wear socks, and shoes and tie the shoelaces.
- Learn to button and unbutton your shirt.
- Learn basic etiquette of washroom and table manners.

# PRE WRITING SKILLS

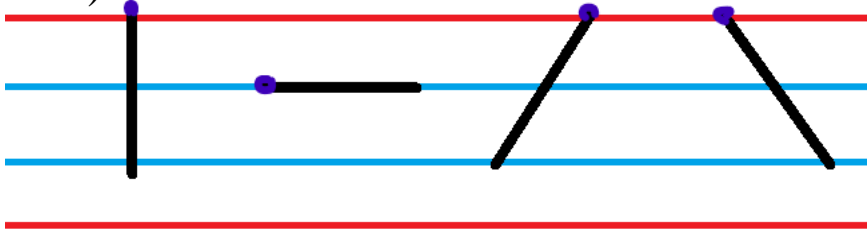

# TRACE AND COLOUR

## Draw pattern lines in a rough notebook

Make your ward practice pattern lines in a rough notebook or A4 size white sheet. Explain the concept of lines and help him/ her to draw patterns. (Image attached for reference)

## Suggested Pre Writing Activities:

- Dot painting/ Q tip painting (Earbud)
- Tracing sandpaper letters/ writing in sand tray
- Playing with play dough

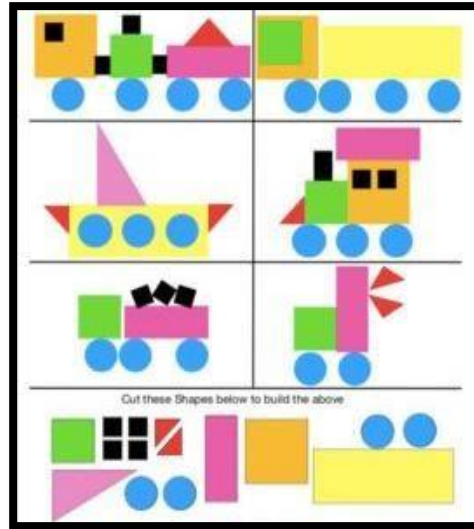

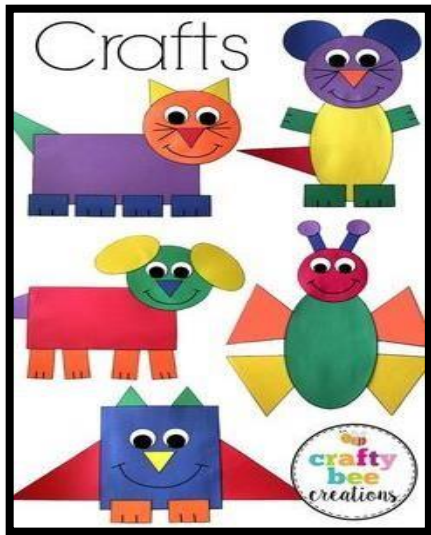

## CATERPILLAR (LONG/ SHORT)

### INSTRUCTIONS:

1. Take 2 socks of different colours.
2. Stuff the socks with polyester stuffing, cotton balls or scraps of yarn.
3. Tie rubber bands around the socks to create segments. You can also use pieces of colourful yarn for a long caterpillar to make 8 segments and for a short caterpillar make 6 segments.
4. Paste googly eyes and a smiley face.
5. Long and short caterpillars are ready to race.

# SHAPES FUN

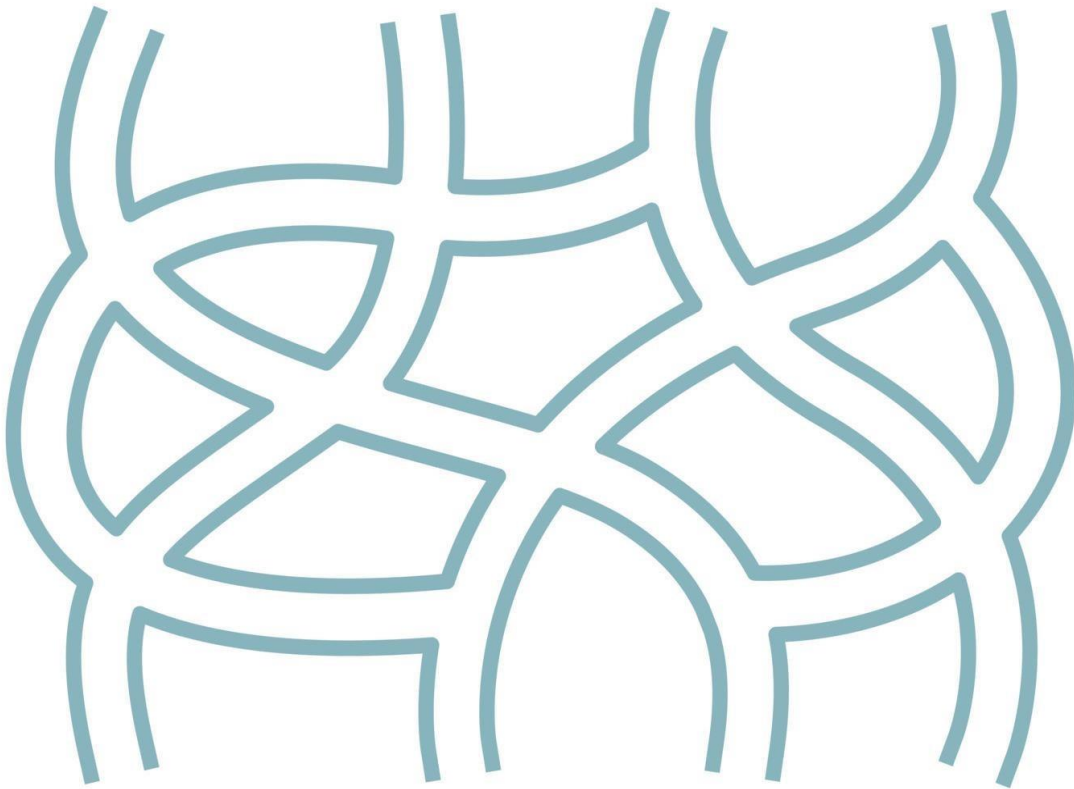

## INSTRUCTIONS:

1. Cut out various shapes from colourful sheets.
2. Encourage your child to make different pictures by using shapes.
3. Help your child to paste the pictures on the sheet.
4. Provide them glitter, and sequins in different colours and encourage them to decorate the pictures.
5. Label the sheet.

# MATCHING FRUITS WITH COLOURS

# CARD MAKING ACTIVITY

Make your mother/ father feel special on their special day by making a card for them.

## INSTRUCTIONS:

1. For balloons use colourful buttons/coloured balls/colourful Pom-Pom/can do thumb printing.
2. Children can make balloon thread by using coloured paper or paint.
3. Click pictures and paste it in the file.

# TABLE MAT CRAFT

This is a fun and easy craft project that will help the kids be entertained while also helping them learn about fruits and vegetables.

## INSTRUCTIONS:

1. Take an A3-sized coloured sheet.
2. Take the cut out of fruits and vegetables.
3. Encourage your child to paste fruit pictures on one side of the sheet.
4. Paste vegetable pictures on the other side of the sheet.
5. Encourage your child to decorate their mat.
6. Kindly label and laminate it.

# STORY TIME

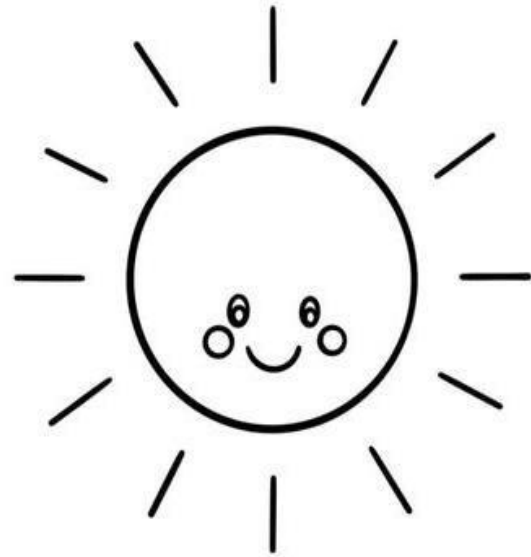

We teach our children to learn to value books and stories which spark the child's imagination and stimulate curiosity. It helps to develop the child's concentration, social and communication skills.

1. Help your child to read a short story.
2. It will help in building the vocabulary and give wings to his/ her imagination.
3. Make your ward prepare one short story which they can share with their friends.
4. Use hand puppets or stick puppets to make it interesting.
5. Kindly label the puppets and send it to the school for story time.

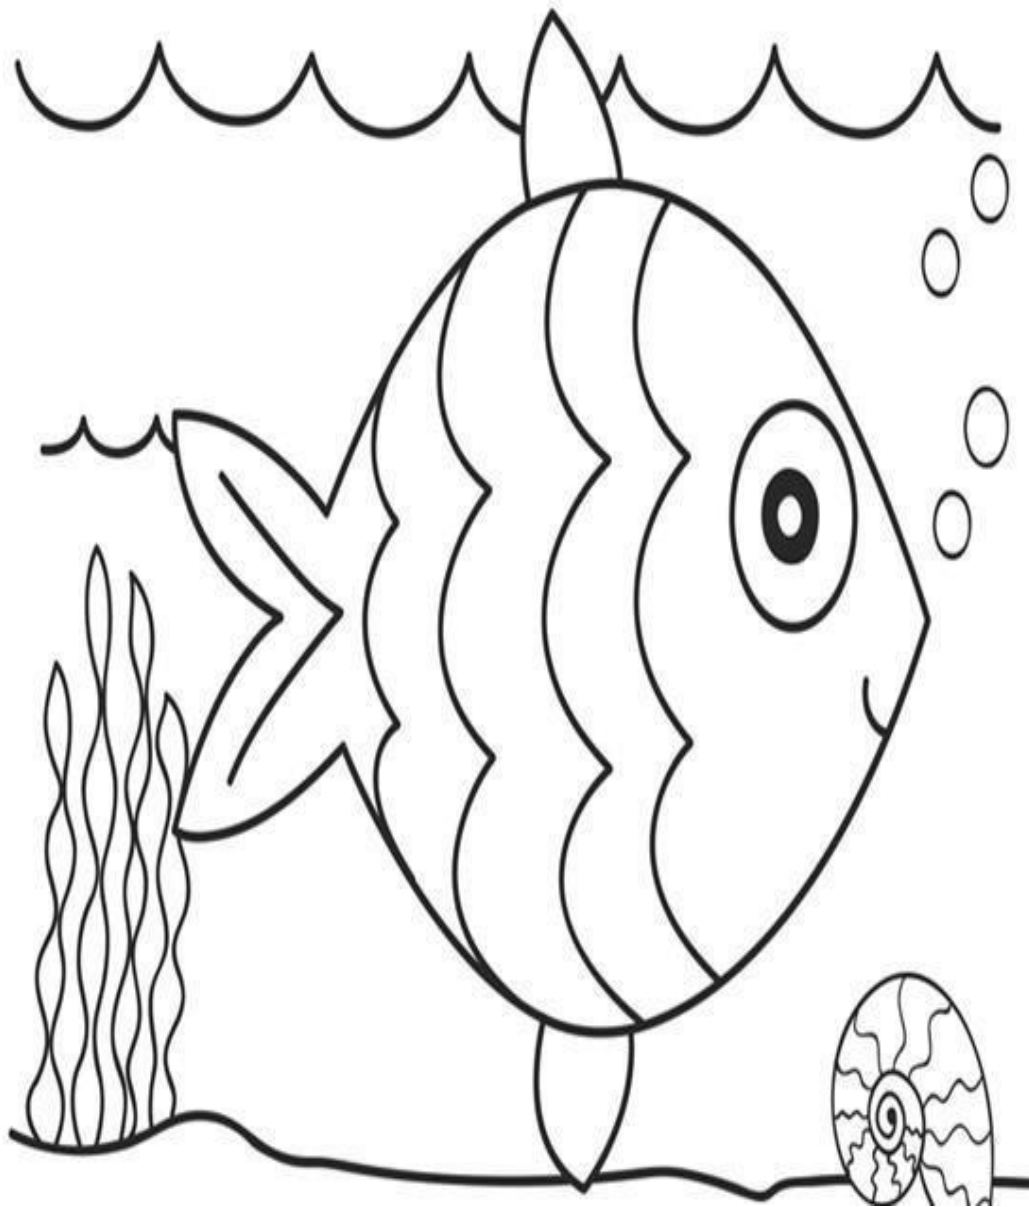

# FINGER PRINTING

## DECORATE THE PICTURE

Decorate the given picture using dry glitter, mirrors, sequins

## MAKE YOUR OWN BREAKFAST

In order to develop the taste buds of our little ones, engage your child in cooking dishes without fire.

- Sprout salad
- Lemonade
- Milk shake
- Fruit salad
- Dressing Monaco biscuits.
- Cucumber sandwich.

# SNAIL CRAFT

## MATERIALS NEEDED

- Buttons
- CD/ Cardboard
- Pastel Paper
- Glue
- Googly Eyes
- Colourful Pens

## INSTRUCTIONS:

1. To start you are going to cut out a shape for your snail out of pastel paper. Make sure to make it big enough to leave some room so that you can glue it to your CD.
2. If you don't have an old CD to reuse for this craft you can use a piece of cardboard, just cut it into a circle big enough for the snail shell.
3. Cover the CD in glue and decorate it with colourful buttons. Paste googly eyes and draw smiley face on it.

# Have a great

# VaCation!

**Keep it fun and engaging! Let your child take the lead and be creative.**

- Use simple instructions and break down activities into smaller steps.
- Encourage them to explore, experiment and make mistakes. That's all part of the learning process.
- This scrapbook project will not only keep the children entertained but also help them develop essential skills like color recognition, shape identification and pattern recognition. They will be learning while having fun.
